

John Deere Compact Series CX Gator

Reliable/Durable

- 286 cc (9.5 hp), overhead valve, single-cylinder, air-cooled, 4-cycle gas engine improves fuel economy
- Precision-engineered drive train system optimizes engine power for superior acceleration, hauling, towing and hill climbing capabilities
- Unique, durable composite cargo box with convenient molded-in features has 5.0 cu. ft. capacity and holds up to 400 lb.; tailgate is easily opened or removed for added convenience

Stable

- Low center of gravity and cargo box centered over rear wheels provide best-in-class stability
- Standard high-flotation tires minimize ground compaction to save turf and prevent ruts in soft ground, provide excellent flotation and traction and flex over bumps for a smooth ride
- Front, dual-rate, independent coil-over-shock suspension, with three-position adjustable preload; provides maximum ride quality regardless of load
- Rear, triple-rate, coil-over-shock suspension, with three-position adjustable preload; provides maximum ride quality regardless of load

Ability to Go Anywhere

- Standard rear traction assist locks drive wheels together to drive through areas requiring additional traction
- Tight, 19-ft., 9-in. turn clearance circle for excellent maneuverability
- Homeowner-friendly compact design fits easily into garages, maneuvers around obstacles in the yard and can be hauled in the bed of most full-size pickup trucks

Easy to Use

- Automatic transmission eliminates shifting; 15 mph maximum forward speed
- Hinged hood opens easily for headlight maintenance and attachment installation; service access panel under seats allows easy access to engine components
- Integrated features like headlights, side-by-side seating, step-through operator's platform, cup holders, hip restraints, glove box, hour meter, fuel sight gauge, 12-volt adapter and professional high-back bucket seats enhance comfort and convenience
